

NATHANAEL GANDHI

MECHATRONIC ENGINEER

Australian qualified professional engineer with years of experience in electronic systems design, development and deployment. Strong teamwork, research and development skills. Projects available on my website. A good way to get to know me is for us to have a chat.

SKILLS

TECHNICAL

- Software (C/C++/Python/Bash)
- EDA & PCB Design
- Assembly, Integration & Testing
- Infrastructure Automation
- Linux Operating Systems

PROFESSIONAL

- Strong Communication
- Autonomous Team Member
- Managing Client Relations
- Facilitator & Leader

EDUCATION

BE(HONS) MECHATRONIC DipProfEngPrac

University of Technology Sydney
2017 - 2022

DIPLOMA OF ENGINEERING

UTS:Insearch
2016

+61 431 905 747

EXPERIENCE

FLIGHT SOFTWARE ENGINEER

Space Machines Company

2021 - Present

- Launching the largest Australian commercial satellite - Optimus
- Developing flight software, tests, firmware, infrastructure and tooling using various languages and frameworks
- Firmware, library and application development in C/C++
- Creating middleware and hardware simulators in Python
- Designing, assembling, testing and reviewing electronic spacecraft systems for procurement, prototype and flight
- Customer payload integration, testing and relations management
- 2023 Australian Space Awards Graduate of the Year - Finalist
- Company representative at the 15th Australian Space Forum

RESEARCH ASSISTANT

Robotics Institute: University of Technology Sydney
(F.K.A Centre for Autonomous Systems)

2018 - 2021

- Development and deployment of infrastructure inspection robots
- Modeled and verified sensing technology using Matlab and ROS
- Built power conditioning and distribution PCBs & harnesses
- Led mechanical development of the self-driving mobility platform

EXECUTIVE

Robotics Society: University of Technology Sydney

2018 - 2022

- 2020 - 2022 Treasurer | Events | Technical Advisor
- 2019 President
 - 24 events targeting technical, industry and social aspects
 - Mentored interstate/local competitions, tours and workshops

MANAGERIAL

- 2016 - 2018 Acting Team Leader at Kmart
- 2010 - 2017 Manager at Cafe Frendz
